

 **ARSO** VREME

# Slovenian Environment Agency (ARSO)

## In the last year

- Bought TriVis for new graphics for TV
- 1 retirement Janez Markošek
- 2 new partial forecasters
- In September we got new PR person for help with social media
  
- On TV again every day one year now, from spring new weather talk, around 3 minutes
- On radio once a week a show with explanations of weather topics

## ☀️ ARSO VREME

- Busy July and also August – a lot of very strong thunderstorms in July with extensive windbreak, in august devastating floods
- Having additional shift also for social media during extreme weather events, people loved it, in this summer from 28.000 we get to 45.000 followers on Facebook
